
Title: Hall of Horror

Author:

Welcome students to the
Hall of Horrors.

Here ye shall find a wide
variety of the monstrous
scourges of the land
from the common orcs to
the mighty dragons.
For those who believe
seeing is believing then
there are runes marked
to the lairs of these
monsters. All ye must do
is chant the magic words
to recall to their lair
and ye shall find yourself
there. Once there
however ye are on
your own to defend
yourself. If ye can defeat
these horrors then ye
shall obtain the treasures
they hold.

Evil Luck to ye young
ones.
